

**Notice for Students who are to be qualified for graduation with the
Results of 2019/2020 Academic Year**

As you are aware, the Faculty of Arts has extended the results verification facility for the students in connection with the Commission Circular No.978, and many requests have been received for results verifications.

The Faculty of Arts is in the process of conducting Results Verification Boards, finalization of results subsequent to the verifications, and preparation of graduands lists / class lists.

Since the aforementioned processes are being made, the students who are to be qualified for graduation this year, are kindly requested to submit computer generated results sheets taken from the system for job opportunities until we are able to provide letters or transcripts. As it is heard from some students, some organizations have thought of considering them due to the prevailing situation.

Kindly note that the Faculty of Arts is also struggling to do its best to clear the issues in relation to the results verification requests, and preparation & finalization of graduands lists / class lists.

Once the process is completed, the arrangements will be made for issuance of required letters and transcripts.
